

Dear USDA: (Docket number AO-368-A32, AO-271-A37; DA-03-04B)

I am writing in OPPOSITION to the proposed regulation on family-owned dairy farms that milk their own cows and bottle their own milk.

I am very troubled the USDA would enact rules that increase the price of milk to the consumers and limit competition in the marketplace.

I urge USDA to reconsider its recommendation and to act in a way that respects both consumers and the investment of time and money that producer-handlers have put into their family business.

Comments: GIVE THE FAMILY OWNED
FARMERS SOME CONSIDERATION
BIG BUSINESS ISN'T THE ANSWER

Sincerely,

MS LORI ZERR
